NAMAR HONORS LEO LLONCH WITH GOOD NEIGHBOR AWARD

DULUTH, GA, OCTOBER 3, 2007: Leo Llonch Awarded Good Neighbor for September/October

The Northeast Atlanta Metro Association of Realtors (NAMAR) is proud to recognize our members who are serving their community. Leo Llonch of Virtual Properties Realty, Inc. is a NAMAR member who has made a difference in our community. On June 2, 2007, Leo pulled off a very successful fundraiser for the Children's Healthcare of Atlanta.

As the Fundraiser Director for the Southeast Paddlers, Leo donated his time and resources for more than six months to organize the Benefit Paddlethon for Children's Healthcare of Atlanta. He served as the event coordinator, fund raiser, public relations director, race director and volunteer coordinator. The Paddlethon was held at Stone Mountain Lake.

Kayakers and Canoers paddled on a 7.2 Kilometer (4.3 mile) course along the banks of Stone Mountain Lake. Proceeds will be used for Pain Management at the Children's Surgery Center. A co-worker of Leo's, Marianne Circiu said, "Leo's commitment, dedication and hard work inspired many of his co-workers and friends. The Benefit Paddlethon was an outstanding success due to Leo's hard work and enthusiasm. Leo definitely teaches each one of us by example; if his actions in the charity field would be followed by all the people he gets in contact with, the world would definitely be a better place to live."

Children's Healthcare of Atlanta was ranked No. 3 among America's top 10 children's hospitals by Child Magazine. It is a not-for-profit organization that benefits from generous philanthropic and volunteer support. They serve children from all walks of life. Children's was formed in 1998 when Egleston Children's Healthcare System and Scottish Rite Children's Medical Center joined to form a unified healthcare system. The Southeast Paddlers was formed in spring of 2005 by a group of flatwater canoe and kayak paddlers in and around Gainesville, GA. One of their goals is to improve the quality of life for all people.
