VIRTUAL PROPERTIES IS SETTING THE PACE

DULUTH, GA, MAY 24, 2007: Virtual Properties Realty, Inc., a full-service real estate firm based in Duluth, GA, announced it was selected as a finalist for the 2007 **Pacesetter Awards** presented by the **Atlanta Business Chronicle**.

In recognition of its outstanding growth, Virtual Properties Realty has been named a "Pacesetter" - number 19 out of Atlanta's 50 Fastest-Growing Private Companies in 2007 -- by the **Atlanta Business Chronicle**.

"We are truly elated to be included among these flourishing businesses," says Steve Wagner, Broker/Co-Owner of Virtual Properties Realty. "A tribute like this, by the Atlanta area's premier business weekly publication, is an acknowledgment of our entire team's dedication to exceptional business integrity,

superior client representation and consultation and cutting-edge innovation."

Qualifying companies for the 2007 Atlanta Business Chronicle's Pacesetter list were required to:

- Headquarter in Atlanta
- Post annual 2006 revenues between \$1 million and \$300 million
- Show a two-year growth in sales of more than 50 percent

The publication then ranks qualifying companies by a mathematical growth index formula. Virtual Properties Realty, in its first endeavor in the competition, was ranked as the 19th fastest-growing private company in 2007.

The Atlanta Business Chronicle's Pacesetter annual awards celebration was held on Friday, April 13 at the Cobb Galleria Centre for all Pacesetter Award finalists. The official list of Atlanta's 50 fastest-growing private companies was released at the awards celebration.

Our mission is to execute brokerage services in a manner that clearly identifies us as the recognized leader in our market and differentiates us as the benchmark for excellence in our profession. Virtual Properties Realty, Inc. (<http://www.v-prealty.com>) was founded in 1999 as a full- service real estate firm providing superior representation and consultation to buyers and sellers of Real Estate in the entire metro Atlanta

Area and its suburbs. Areas of specialty include residential, land, and commercial Real Estate.

"Superior technique, technology, systemization, and efficiency are just a few reasons why we continue to enjoy significant growth," says Wagner. "Most of all, though, Virtual Properties succeeds through Integrity and Innovation."

Wagner acknowledged, "Without falling into the trap of being all things to all people, Virtual Properties will always seek to be the leader in the implementation of trends that shape the fabric of the Real Estate Industry. "If we strive to always do what we feel is right, we will always be winners." Whatever level of success we achieve, at the end of the day," Wagner believes, "it is our character that will matter the most."
